\$0 Application Fee Program is Off & Running!

The \$0 application fee programs went into effect on February 1 and early indications are that members are taking advantage! What a great opportunity for sponsors to encourage new or former members to join the fraternity, not to mention the savings for the candidate. The program applies to all Lodges, Chapters and Moose Legions, and will run through April 30, 2011. All applications must be accompanied by the full first year's dues. Please remember that this is not an optional program. No unit is permitted to accept or keep any application fees during this 3-month promotion.

Additional information for Lodge Administrators/Chapter Recorders/Moose Legion Secretaries: when entering applications in LCL.net during the \$0 application fee promotion, you must still click on the "Application Fee Received" checkbox in order for the application to transmit properly. The program that runs at the end of each month to generate billings for per capita and application fees will be turned off through April 30, 2011. You will only be billed for application fees for any applications received during the promotion that are not reported to Moose International as "Enrolled" by 10:00 PM Central Time on May 31, 2011. Please understand that May 31, 2001 is only a billing deadline.

Applications must still be reported as enrolled by 10:00 PM Central Time on April 30, 2011 to be counted toward active membership for the 2010-2011 year.
