Official Communication For Lodges - Ticklers 3/18/2011

Have you reminded your members who enjoy bowling, that March 31st is the deadline to register for the Moose International Bowling Tournament that starts on April 16th in Parkersburg, West Virginia?

Lodge Safety Inspection Forms should have already been completed and submitted. If your Lodge has not yet done this, you have until April 1st to complete and submit this report. Lodges that do not submit this report are subject to a Compliance Modifier resulting in higher total payments on their 2011-2012 Risk Pool.

April 12th is the Moose's 123rd Anniversary. Need an excuse for another activity on your Social Quarters calendar? Sounds like time to promote and host a 123rd Anniversary Party.

Your Lodge should be wrapping up the nomination process in preparation for the election of Lodge Officers at the first Lodge meeting in April.

Pre-Registration for the International Moose Convention in Anaheim, California ends on 5/31/11. Incoming Lodge Governors striving to earn the Governor's Award of Excellence and the Life Membership that comes with this recognition must attend the International Moose Convention.

Is your Lodge mooseunits.org mailbox getting cluttered or full? Now is the time to print or electronically save important communications and delete old messages from your INBOX or other folders within your Moose provided e-mail account.
