Year End Membership Reporting Deadlines!!!!

We have less than 2 days to reactivate expired members by ensuring their dues payments are received at the Moose International Dues Processing Center. We must also ensure that all eligible applicants are enrolled and transmitted to Moose International prior to 10pm Central Time on April 30, 2010.

Any new or former member applications received by a Lodge, Chapter or Moose Legion must be transmitted, error free, to Moose International before 10:00pm Central Time, April 29, 2010, if the Lodge, Chapter or Moose Legion intends to report them as enrolled prior to 10pm Central Time on April 30, 2010.

10pm Central Time on Friday, April 30, 2010 is the deadline for transmitting any application to count towards a 2009-2010 Quota, or to transmit an enrollment date for any applicant to be counted as an Active member at 4/30/2010. Remember, in order to report an applicant's enrollment date on April 30, 2010, an error free application must have been transmitted to, and accepted by, Moose International prior to 10:00pm Central Time on April 29, 2010.

At this point only online dues payments have a chance to be counted as Active Members before the April 30th year end. It is advisable to accomplish any online payments as early today as possible and NOT wait until late tonight to do this..

TODAY, April 29, 2010, before 10pm Central Time, is the last opportunity to transmit an applicant and still be able to report them as enrolled, tomorrow, before the April 30th, 10pm Central Time cutoff.

***2010-2011 Lodge, Chapter and Moose Legion Officer Entry Will Be Available At Noon On May 1, 2010.
