

100526 Official Communication Rebooking Info w/ OPRYLAND HOTEL Reservations

Official Communication From Moose International for May 26, 2010 Rebooking Information For Members With OPRYLAND HOTEL Reservations

ATTENTION: Lodges and Chapters, Your Assistance May Be Required

Likely beginning this week, and for the next week or so, members who were booked at the Opryland Hotel will be notified of their new hotel location. These notifications will be made by telephone and/or e-mail. If a member cannot be reached by the Nashville Convention & Visitors Bureau Housing Office, the member's Lodge or Chapter will be e-mailed with the appropriate rooming information. The Lodges and Chapters are asked to promptly attempt to contact the member, as they have a very limited amount of time to confirm their new rooming assignment or risk losing hotel accommodations for our convention in Nashville.

Please check your e-mail frequently for the next few weeks and ensure your e-mailbox does not become filled to capacity! Your support will be greatly appreciated by us and your members attending the International Moose Convention.

REGARDING HOTEL ACCOMMODATIONS:

- * Everyone who was booked at Gaylord Opryland will be moved to other hotels. ALL RE-BOOKINGS WILL BE HANDLED BY MOOSE INTERNATIONAL. You will be contacted directly by the Nashville Convention & Visitors Bureau's Housing Office regarding your new hotel assignment and will be requested to furnish credit card information to your new hotel within a specific time period.
- * If you are holding reservations at any hotel OTHER THAN Gaylord Opryland, your reservation is in force, at that same hotel; NO ACTION is required on your part.
- * All rooms being re-booked to a downtown hotel will pay the same \$99 per night that they would have been charged at Opryland - even though many of these properties usually command substantially more.
- * If you have NOT already booked a room and wish to attend the Convention, you may still obtain a reservation by calling 630-966-2213. You MUST be registered for the Convention in order to obtain any room reservations.
- * Please DO NOT contact downtown hotels yourself; you will NOT be able to reserve a downtown hotel room independently. Moose International is currently holding ALL space.
