

100901 Official Communication Email - Kohls Care Contest Deadline

To All Lodges, Chapters, Moose Legions-

The Kohl's Cares contest ends Friday, September 3. At this moment, Mooseheart School is in 26th place. And, frankly, that is totally unacceptable.

We need to mobilize all our members, their families, friends and acquaintances for the next few days to vote and get Mooseheart School back in the Top 20. Putting up a poster or simply forwarding the information IS NOT going to get the job done! You need to be proactive and help to secure the votes!

<http://bit.ly/d2xdBb>

Have you contacted all your officers and chairmen and asked that they and their families vote? The Time Is Now!!

Does your Lodge/Chapter have any activities going on this week? Get your officers, chairmen and members there and make sure they vote! The Time Is Now!!

Does your Lodge/Chapter have a computer available? Have someone at the Lodge to help the members (and guests) to sign up and vote! The Time Is Now!!

Has your Lodge/Chapter made donations to community service organizations in your community? Contact them and ask them to vote! The Time Is Now!!

Has your Lodge/Chapter donated Tommy Moose to the police/fire/emt's? Contact them and ask them to vote! The Time Is Now!!

Your members certainly have children and/or grandchildren who are computer literate - ask them (and their friends) to vote! The Time Is Now!!

Do you sponsor students in the Kids Talk program? Ask them (and their friends) to vote! The Time Is Now!!

Have you given college scholarships to local students? Ask them (and their friends) to vote! The Time Is Now!!

Vendors? Ask them to vote! The Time Is Now!!

This \$500,000 grant is much too important in many ways to our fraternity to let it slip through our fingers.

Of course the one-half million dollars by itself is wonderful, and that is one-half million dollars that we will not have to get from our members.

But think about how YOU and all who voted will feel when we DO win the grant!

The fraternal morale will improve dramatically!! The Time Is Now to prove what a positive force we can be!

Warm fraternal regards,
William B. Airey
Director General
