Official Communication For September 24, 2010

Your commitment and dedication is sincerely appreciated.
Lodge Safety Inspection Form Is Due On October 1st

We are still a week away from the Lodge Safety Inspection Form's timely submission deadline and a substantial percentage of Lodges have already submitted their completed forms. Thanks to those Lodges that did not wait until the last minute!

Lodges failing to timely submit this form will be subjected to a Compliance Modifier being added to the Lodge's Risk Pool General Liability Assessment at the start of next policy year. Your Lodge's efforts can not only help keep your members safe, but will ensure your Lodge's Risk Pool Assessment is as low as possible.

Available Rooms Going Fast! October 1, 2010 Registration Deadline For November "Triple Play" Conference.

As the October 1, 2010 Triple Play registration deadline approaches, we also are facing the possibility of selling out of our reserved rooms for this conference. While we will attempt to secure sufficient rooms for all members desiring to attend the Triple Play conference, we are not able to guarantee that we will be successful. Register now to secure your accommodations for this event.

The TRIPLE PLAY Conference's registration is available on-line or by hard copy printed off the website. Three tracks are available providing opportunities for Lodge, Chapter and Moose Legion members.

An Open Forum For Women Of The Moose Members will be hosted by Director General William B. Airey. Participants will be able to share their opinions of current policies and programs as well as offer ideas for shaping the future.

The session on Running A Successful Lodge And Social Quarters Operation is of interest to all Lodge officers, office assistants, social quarter managers and interested members. Attendees will come away from this session with a better understanding and importance of proper budgeting, membership promotion and retention, interaction with the community and developing activities to build participation in activities and ensuring social quarter profits. Every Lodge should have a representative at this session.

The conference on The Moose Legion - Making The Difference Between Success And Failure will be valuable to Lodge Moose Legion Committee Chairman, Moose Legion Directors and other interested Moose Legionnaires. Each attendee will gain valuable information on how to build the Moose Legion in the Lodge and plan exciting activities to attract Moose Legionnaires to attend the events and encourage Lodge members to join the Moose Legion. The Moose Legion growth starts at the grass roots, which is in our Lodges. Every Moose Legion and Lodge Moose Legion Committee will benefit from this information.
