

A Few Mouse Clicks Mean \$500,000 to Mooseheart School . . . or Not.

If, by just clicking a computer mouse a few times over five to ten minutes, you could send a HALF-MILLION DOLLARS to help Mooseheart's kids, you'd do it -- wouldn't you?

We sure hope so.

Thanks to Kohl's department stores, that's the opportunity we Moose members have!

Between now and Friday evening, September 3, by just "voting" for Mooseheart School as your "favorite school" on the "Kohl's Cares" page on Facebook, we Moose members can get that \$500,000 from Kohl's Cares Foundation for Mooseheart School!

That's \$500,000 we then WON'T need to ask from the men and women of the Moose to help operate Mooseheart's school this year!

If you have a Facebook account (easy to set up), if you're 13 or older, and you're a U.S. resident -- just go to <http://bit.ly/d2xdBb> , follow the directions to vote the maximum allowed FIVE (5) times for Mooseheart School -- and that's all there is to it!

Please ask your spouse, your family and all your friends to do the same!

If Mooseheart School finishes among the top 20 schools in nationwide voting, we'll receive a Kohl's Cares check, payable to Mooseheart School, in the amount of \$500,000!

It costs you \$0 -- just a few minutes of your time! What an easy way to fulfill our membership obligation to "support Mooseheart with my energy and substance"! PLEASE don't let this opportunity pass us by! Your Mooseheart students need you to vote, NOW!
