

*California / Nevada Moose Association
Youth Awareness Program
2008/2009*

The Loyal Order of Moose is looking for 9-12th grade students for the Youth Awareness Program. The program requires the students to be registered for our Area Student Congress and that a local Lodge will be the sponsor of this student. The Lodge (men and women) will provide assistance, support and guidance for the students throughout the applicable year. We will help you to find a sponsor.

At the Student Congress, the students are challenged to talk to 4-9 year olds (on any social danger) and make a report on each talk, hence the term, “Kids Talks” (3 reports turned in = \$100.00 savings bond). We have students, who did not attend the Congress, grade the “Talks” and provide us with the first and second place winners for the applicable International Congress. The winners of the California Student Congress are sent, without their parents, to the **21st 2009 International Congress, which will be held in Hampton, Virginia** April 30-May 4, 2009 Please note the students are well chaperoned while they are away from home and all hotel, expenses and travel arrangements are taken care of by the Loyal Order of Moose.

NOTE: The 9th graders/14 years old are now eligible to compete for the scholarships.
The 10-12th grade students can earn the bonds and compete for **scholarships up to \$12,000.**

Please give us a call or email and we will send you a packet with more information regarding this program. I hope this answers your questions and I hope your students will want to attend one our Area Student Congresses. In many cases, I can direct you to students in your school, who have attended our past programs for additional information.

Fraternally,
Youth Awareness Team
