Workers Compensation Premium Calculations

Do not pay more for your Workers Compensation that you should. Lodges insured with The Hartford should update their payroll on an annual basis. The Hartford sends out forms in May of each year that allows Lodges to update the amount of their payroll. If you have not updated your Lodge's payroll recently and it has decreased, it is possible that you are paying a greater premium than you should.

You can update your payroll immediately by telephoning The Hartford at 1-866-467-8730 and follow the prompts to "Policy Changes." When you call The Hartford, make sure that you have your policy number available and that you have your best estimate of your upcoming annual payroll. By updating your payroll, you may be able to lower your premium prior to your renewal date.

If you have any questions regarding Workers' Compensation Insurance or any other insurance matter, please contact the Risk Management Department at 800-544-4407. Always remember, we are here to serve you. If you need help do not hesitate to call us; we are always here, helping our Lodges help themselves.

Lodges And Chapters Receiving \$500 Checks In "Be A Piece Of The Solution" Membership Program

Each week a drawing for two Lodges and/or Chapters to each receive a \$500 check is conducted. The sponsors randomly drawn to have their Lodge or Chapter receive \$500, to do with as the membership sees fit, such as paying bills, throwing a party or even donating it to Moose Charities, are:

Week Sixteen - September 24, 2009  
Anchorage, AK Chapter 139 for an application sponsored by Jackie O'Neill  
Massillon, OH Lodge 481 for an application sponsored by Brian Ullum

Every application sponsored by a Lodge or Chapter's members is one more chance for the Lodge or Chapter to become the recipient of one, or more, of these weekly checks. The drawings occur on Thursday nights through May 6, 2010. The more applications reported, the more chances to win!
