### **Bulk E-mail 11-13-08 Gimme 5 Credit Multiple FRU Affiliations**

Dear Gimme 5 Co-Chair and Regional Manager,

This communication is regarding donors who hold memberships in more than one Lodge or Chapter (Multiple Membership).

As the Gimme 5 program has grown, it has become apparent that we have a problem crediting Fraternal Units other than the donor's primary Fraternal Unit. The Gimme 5 program was established to be a personal donation from our members. Naturally, each donor would like his/her fraternal unit to be aware of the donation. However, in the cases of donors holding multiple memberships, we have difficulty in reconciling the donations.

Previously we tried to do this manually within the "monthly Gimme 5 report." As the reports have grown much longer, and the number of donors is increasing, these manual changes have become very cumbersome.

Beginning this month, members will be recognized/listed under the state tab in which the donor has his/her "Primary" (initial) Moose affiliation and MID Number.

If a member has multiple memberships and more than one MID number, his/her recognition will show up under the state tabs where that MID number was issued.

As in the past, if donations are made under multiple MID numbers, the donations have to be entered separately and cannot be automatically combined. Therefore, if you or someone you know falls into this category, please notify us as the cumulative donations count toward the Gimme 5 pins with stones, as well as to the League of Guardians recognition.

Please, communicate this throughout the network of Gimme 5 volunteers.

To a large extent, this changes the communication of the web resource page "OLF 30", "Gimme 5 and Members of Multiple Fraternal Units".

As always, if you do not understand this or have questions, please, give us a phone call.

Best Fraternal Regards and most of all **THANK YOU** for your efforts!!

Best Fraternal Regards,  
Chris Perry
