Bulk E-mail 11-21-08 Discontinued Moose International Phone Number

Moose International for many years utilized an 800 number - 800-648-1526. This number has been disconnected for budgetary reasons. The elimination of this number should in no way affect service to any fraternal unit as they were not supposed to have access to that number. Moose International asks you to use the following numbers to reach Moose International Departments: call our main number which is 630-859-2000, or our Call Center at 630-906-3658, for Membership Card questions, Computer problems, address changes, etc.
