How Are Your Members Finding Out About The "Moose Economic Stimulus Plan"?

Is every Lodge, Chapter and Moose Legion ensuring that all of their members are aware that ALL Application Fees are being waived for applications dated March 1, 2009 through April 30, 2009? If you have already mailed a newsletter to your members for March and April without news of this exciting program, it may be well worth the cost to send a post card or letter informing your members of this unprecedented opportunity to sponsor applicants with this limited time, zero-dollar application fee promotion. In addition to promotional materials provided by the Membership Department, consider creating your own table tents, placemats, posters and other materials to promote this unique opportunity to your members. This is an excellent time for members to fulfill their Obligation of Membership by sponsoring their first member, or to advance towards higher levels in other sponsor programs.

Members will receive sponsor credit in all currently running Moose International sponsor programs including, "Beyond Belief", "Become a Moose Tracker", 5 Club, 25 Club, and Circle and Heart of Distinction.

Moose Legionnaires earn credit toward the Medal of Honor and Elite Ring programs. Lodges, Chapters and Moose Legions must transmit applications to Moose International by 10PM Central Time on April 30, 2009 AND report the applicant as enrolled by May 31, 2009, to avoid being billed for the Application Fee.

Moose Charities Donation Statements May Include Both Lodge And Chapter Donations Donation receipt statements were recently mailed to each Fraternal Unit. We have been advised that many of the receipt statements contain donations from both the Lodge and Chapter. We apologize for this error and ask that copies be made and shared. We have identified the source of the problem and want to assure you it will be corrected prior to the next quarter's mailing.

Thank you for your understanding and cooperation. And, thank you for your continued donations in behalf of the Mooseheart Child City and School and Moosehaven City of Contentment.

Additional Hotel Rooms Added For International Moose Convention!

After briefly exceeding the room allocation at the Sheraton Hotel for members arriving at the International Moose Convention in Chicago on Thursday, May 21, 2009, we have secured additional rooms that are now available. We obviously did not anticipate such strong demand for members arriving on this date and apologize for any inconvenience this temporary unavailability of rooms may have caused. With the expanded allocation of rooms, no additional shortage is anticipated at any of our convention hotels - Sheraton, Hyatt or Fairmont - for the period of May 21, 2009 through May 27, 2009. Online convention registration and hotel reservations, as well as printable reservation forms, are available at <http://www.mooseintl.org/portal/Convention/materials/2009-Chicago.asp>
