The "Moose Economic Stimulus Plan" Ends in Just 11 More Days

We are in the final 11 days of the "Moose Economic Stimulus Plan". The zero-dollar application fee program has already helped to generate over 50,000 applications since March 1, 2009. The program ends at 10pm on April 30, 2009. Any application transmitted to Moose International after this time, regardless of what date the application may have been received, will be billed to the Lodge, Chapter or Moose Legion at the standard application fee rate.

Any application reported under the "Moose Economic Stimulus Plan" where the applicant has NOT been reported as enrolled by May 31, 2009, will result in the reporting Lodge, Chapter or Moose Legion being billed for the application fee. All Lodges, Chapters and Moose Legions are encouraged to report all enrolled applicants by 10pm April 30, 2009.

Chicago International Moose Convention Hotel Reservation Deadline Extended

We have noted an increased volume of members registering for the International Moose Convention in Chicago over the past week or so. With this in mind, we have requested of the 3 hotels (Hyatt, Sheraton, Fairmont), and they have agreed, to keep our Official Housing open an additional week until 4:30 pm on Friday April 24, 2009. You and your members can still follow the instructions on the housing form which is on page 72 of the February/March issue of Moose magazine. Please ensure that your convention registrations and hotel reservations are completed this week.

Online Fraternal Unit Officer Entry

All Fraternal Units are required to enter the Fraternal Unit Officer, Appointed Officer and Chairman information using the 'Officer Maintenance' function located in the "Admin Menu".

Before new Fraternal Unit Officer, Appointed Officer and Chairman for 2009 can be entered, Moose International must close 2008. The closing of 2008 will occur on the morning of May 1, and should be completed by 12:00 noon Central Time. Fraternal Units should then be able to enter their Officer, Appointed Officer and Chairman for 2009.

To access the Officer Maintenance function located in the Admin Menu, go to the Moose web-site <http://www.mooseintl.org> click on the link to the Member Information; Address Changes, Sponsor Records, etc and enter your personal member ID# and password. From the "My Memberships" screen, select "Admin Menu" in the upper right hand corner. Now, enter the "Fraternal Unit Passcode". If you do not have that Passcode, contact the Help Desk (630-906-3658) to get your "Fraternal Unit Passcode". Once on the Admin Menu screen, select Officer Maintenance to enter your Officer, Appointed Officer and Chairman information.

The correct Officer information will need to be kept up to date via the website throughout the year, including installations and resignations.

Hall Rental Insurance Reminder

As we approach graduation and wedding season, it seems appropriate to remind our Lodges of the requirement that Hall Rental Insurance be purchased when you rent your hall or Fraternal property for either a fee or gratis (no fee) and alcohol will be served, sold, given away, or consumed at the rental. This insurance is available through Aon Risk Services. Please refer to the Risk Management section of the Members Only Portal of the Moose International, Inc. website for instructions on how to apply for this coverage.

The failure to purchase this coverage will result in your Lodge being liable for the first \$1,000,000 of any loss arising from an uninsured rental. Only the Hall Rental Insurance available through Aon Risk Services is pre-approved. Any other proposed Hall Rental Insurance must be approved by the Risk Management Department prior to purchase.

If you have any questions regarding this requirement, please contact the Risk Management Department at 800-544-4407.
