Fraternal Unit Officer Entry

Effective with the beginning of the New Moose Year on May 1, 2008, all Fraternal Units will be required to enter the Fraternal Unit Officers and Chairmen using the <> website. The new "Officer Maintenance" function will be added to the "Admin. Menu" May 1, 2008.

To access the Admin. Menu, you are going to need the "Fraternal Unit Passcode". If you do not have that Passcode, contact the Help Desk immediately to get your "Fraternal Unit Passcode" before May 1, 2008.
