Subject: 090512 Bulk Email - Stimulus Plan Enrollment Reminder, Parade of Donors at Convention, Sponsor New Members

Bulk E-mail for May 12, 2009

"Moose Economic Stimulus Plan" Enrollment Reminder

Please remember that our Lodges, Chapters and Moose Legions were not billed the Application Fee for any new or former member applicants reported during the "Moose Economic Stimulus Plan". This was conditioned upon those applicants being reported as ENROLLED by May 31, 2009. Lodges, Chapters and Moose Legions will be billed the appropriate Application Fee for any applicants NOT reported as enrolled by May 31, 2009.

May 31st is just 19 days from now. As of this morning, 3,098 Lodge applicants, 3,309 Chapter applicants and 290 Moose Legion applicants, who were reported under the "Moose Economic Stimulus Plan" still have not had an enroll date transmitted to Moose International.

Parade of Donors Benefiting Moose Charities At International Moose Convention

There will be a Parade of Donors on Tuesday, May 26, 2009 at the International Moose Convention in Chicago. To participate in the Parade of Donors, a donation of \$500 or more must be made at the Moose Charities display area in the Sheraton Hotel by 5:00pm on Monday, May 25, 2009. Qualified donors will receive a pass allowing them access to participate in the Parade of Donors.

Go Ahead, Sponsor New Members

Should I sponsor a new member now or wait until after the International Moose Convention? The time between May 1st and the International Moose Convention is always a puzzling time for sponsors and Membership Chairpersons. It shouldn't be. Whatever sponsor recognition programs might be announced at the International Moose Convention are retroactive to May 1, 2009. Go ahead and start your local membership promotions now, and rest assured, your new member sponsors between now and the convention will be one step ahead of the rest when the 2009-2010 Membership Campaign is announced.
