'Be A Piece Of The Solution' Sponsor Pins Coming Soon

Lodges and Chapters will be receiving their initial supply of 'Be a Piece of the Solution' puzzle piece one-member sponsor pins in the next 1-2 weeks. The Membership Committee Chairman, or the Administrator or Recorder, should take possession of these pins and ensure that each sponsor is presented with their 'Be a Piece of the Solution' lapel pin upon submitting their first applicant's application and application fee, between May 1, 2009 and April 30, 2010. Please keep in mind that some sponsors will have already qualified to receive this pin for an application submitted since the May 1, 2009 start of this campaign.

Only 1,800 Of 75,000 "Moose Economic Stimulus Plan" Applicants Not Reported Enrolled By May 31, 2009!

Our Administrators, Recorders and Moose Legion Secretaries did an outstanding job of following up on and reporting enroll dates for members who applied to the Loyal Order of Moose, Women of the Moose and Moose Legion during the "Moose Economic Stimulus Plan". Of the over 75,000 applications received between March 31, 2009 and April 30, 2009, only about 1,800 were not reported as enrolled by the May 31, 2009 deadline to avoid being retroactively billed for the application fee.

The billings for these application fees will likely appear on the July of 2009 statements which will be received in August.

The Membership Department Thanks Two Resigning Volunteers

Effective May 31, 2009 Assistant Regional Manager John Lund resigned from his volunteer position assisting the Lodges and Chapters in the Alberta-Saskatchewan, British Columbia and Alaska-Hawaii Moose Associations. John was recognized as a Top Assistant Regional Manager at this year's International Moose Convention in Chicago. He felt that he could no longer provide the high level of service he had provided in the past in a territory covering in excess of two million square miles.

Also on May 31, 2009, Top Assistant Regional Manager Michael Tolson resigned his volunteer position serving the Massachusetts-Rhode Island, Connecticut and Northeast Moose Associations. Michael stepped up to lead these Associations following the untimely death of Regional Manager Chuck Breadmore. With new Regional Manager Scotty Fiske in place, Michael can now devote more time to his other duties as the Massachusetts-Rhode Island Association Secretary and as Administrator of his Lodge in Woburn, Massachusetts.

We thank these individuals for their years of dedication and service and are confident that they will continue to 'Be a Piece of the Solution' in our Moose puzzle.

Loyal Order of Moose ABCD And Application Fee Billing Changes

On May 1, 2009, Moose International transitioned the billing of Lodges, for Application Fees and ABCD/Per Capita for newly reported members, to the new Moose Membership Management System. Lodges, Chapters and Moose Legions are now billed in the same manner. There is a one month lag in the billing process to ensure that all transactions recorded in a calendar month appear on a single statement. For instance, all ABCD and Application Fees for applications and enrollments transmitted to Moose International in May, are processed in June, to appear on the June statement that will arrive at the Lodge in early July. Most Lodges will not see any Application Fees or ABCD charges on the statement they receive in early June of 2009.
