MOOSEHEART, IL. Moose International Director of Membership Darrell O'Brien recently announced details of the "Moose Economic Stimulus Plan". In an unprecedented action, application fees have been eliminated for all new and former member applications dated from March 1, 2009 through April 30, 2009.

Have you fulfilled the obligation you take took when joining the Moose, to sponsor new members? If so, perhaps you're attempting to gain membership in, or attain the next level of, the Moose 25 Club - a select and prestigious group of members, men and women, who have sponsored 25 or more members into the Moose.

This is an excellent time for members to fulfill their Obligation of Membership by sponsoring their first member, or to advance towards higher levels in other sponsor programs. With No Application Fee required between now and April 30, 2009, there has never been a better time to sponsor a new member!

Sponsors during this short-term stimulus plan will earn credit toward all currently running membership campaigns and programs. These include 'Beyond Belief', 'Become a Moose Tracker', the Moose International or Women of the Moose 5 Club, the Moose International 25 Club, the Director General's Circle of Distinction and Women of the Moose Heart of Distinction.

All applications must be transmitted to Moose International by the Lodge Administrator or Chapter Recorder via LCL.Net, by 10:00 pm Central Time on April 30, 2009. The \$20 application fee that is normally billed monthly for each new member application reported will be waived, provided the following conditions are met:

- 1) The application, dated from March 1, 2009 through April 30, 2009, must be received along with the first year's dues payment.
- 2) The applicant must be reported to Moose International as "enrolled" by May 31, 2009.
