"Moose Economic Stimulus Plan" - NO APPLICATION FEES - Is Now In Effect

From now through April 30, 2009, the application fee is being waived on all new and former member applications to the Loyal Order of Moose, Women of the Moose and the Moose Legion. Administrators, Recordors and Moose Legion Secretaries should still check the box on the applicant screen indicating a fee was received. The zero-dollar fee will be adjusted after the application is received at Moose International. Continuous promotional efforts to ensure all members are aware of this unprecedented "Moose Economic Stimulus Plan" should be maintained throughout the next 60 days.
