

## **Chapter Bulk Email - Per Capita Increase**

(Please read at the next chapter meeting and post on the chapter's bulletin board)

Co-workers,

There is a widespread belief that Mooseheart and Moose International are one and the same - they are not.... When members are actually referring to rules, regulations etc., they are incorrectly referring to Moose International as Mooseheart. Due to this misconception, many members are not taking the Gimme 5 program seriously.

Every member must learn and remember that Mooseheart is our Child City - and the very existence and survival of our children at Mooseheart are totally dependent upon the good graces, compassion and generosity of you, our membership.

The reason for the Moose Organization to remain in existence is to provide for children who need the security of Mooseheart today and for future generations. Therefore, the Grand Council and the Supreme Council have deemed it necessary to increase their respective per capita assessments, effective with the September 30 dues renewal. The per capita assessment will then be \$20 per member per year for the Women of the Moose. The Loyal Order of Moose assessment will be \$28 per member and will increase a minimum of \$2 per member per year for the following five years.

If your chapter feels the need to increase the dues for its membership, now is the time to do so. However, if your chapter believes your members cannot afford to pay additional dues, then your chapter may meet its financial responsibilities through increased fundraising projects. This decision is definitely in the hands of the officers and the chapter members.

Just a reminder - the Recorder's compensation will be based on the amount of membership dues and application fees derived from your members - knowing that the compensation is still regarded as a liability of the chapter.

Co-workers, if you truly believe that we have a responsibility to children, you should have no problem accepting this action. This is the only way in which we, as the Women of the Moose, can help to ensure a future for Mooseheart, our Child City - - a secure home for children who, without Mooseheart, would not have a future or a family they could call their own.

The Love You Give So Honest And Pure, Keep Me Forever Safe And Secure.  
Because Of Moose Members Like You, My Life Has Changed In So Many Ways.  
I Now Know Friendship And Love. You Are My Guardian Angels From Above.

I love knowing that we, the members of the Women of the Moose, are making a difference in the life of a child ..... I trust you feel the same way. Thank you for understanding and thank you for caring.

Jan Fregulia  
Grand Chancellor
