December 2011 Newsletter

GOVERNOR'S CORNER

First of all Betty and I wish you a blessed and happy holiday season.

We have many members that need our thoughts and prayers at this time of year. Please, continue with your thoughts and prayers for all our Members, Mooseheart, Moosehaven and to all our Military families.

On November 11th we had a special ceremony for all Veterans. You can view pictures from the night on our website at www.moose1874.org. Please view our website for other upcoming events.

It's that time again we are starting the "Moose Dropping Boxes" to send to our military for the holidays. Should you need assistance or creative ideas for your boxes, I have found a website to help <http://militarymomathome.blogspot.com/2009/01/care-package-ideas.html>. This site gives many creative ideas and explains what is allowed in the packages.

Many thanks go to Cheryl Padilla who is working hard with her volunteers to get the ladies room improvements completed for the Holidays. What a wonderful gift she and her family have given too our Lodge.

New Year's Eve tickets are **NOW AVAILABLE** for \$45.00 per person until December 11th. What a better place to welcome and celebrate the 2012 New Year. Cost per person includes; prime rib dinner and breakfast at midnight. We will also have drawings for you to enter. **FREE** camping with advanced ticket purchase while space is available. **GET YOUR TICKETS EARLY!**

December is a busy month for all. This is the best time of year to share joy and celebrate the meaning of the holiday season by combining your 'Moose' family and friends. Don't forget **Santa Clause is coming to town!**

Fraternally,
Norm Linek, Governor

Greetings to my fellow WOTM co-workers.

I am at this time writing my newsletter notes, as I wait for my flight home from Dallas. I was very sorry to have missed the 50's Dance and I hope a good time was had by all who attended.

Here we are again at the start of another busy holiday season. I'm sure most of you are like me, making your list and checking it twice! This time of the year reminds us of what is most important: family, friends and helping others. We members of the Lodge are fortunate to have other members here, who have become an extended family to us. The ladies of WOTM 1310 are truly an amazing group of women, who are always ready to give time and help in whatever way they can! The Lodge members are not only active in their communities and churches, but do a remarkable job raising funds and awareness for Moose Heart and Moose Haven. This is what we are all about!

I would like to give a special thank you to Nora Williams and Cheryl Padilla for taking on the project of remodeling the ladies rest room. It is quite a big task. Also, thanks to Keith Brady, Bob Fleck, Bobby Garcia and especially our Administrator Dan Papp for all their assistance.

Ladies please mark those calendars for the 1st and 3rd Wednesday of the month, to attend a WOTM evening. Let your ideas be heard, so we can become even better than we are.

I hope you have already purchased your New Years Eve dinner tickets, for a truly memorable way to start the New Year of 2012 with your Lodge friends. I will close by wishing you all a very happy and healthy holiday season. Please remember to keep all co-workers undergoing any medical treatments in your thoughts and prayers!

Fraternally,
Grace Wichert

Monthly Birthday Celebration

We have a monthly Birthday cake event at the Lodge. There is a sign up sheet at the bar for those of you that would like to help sponsor a month, and purchase a Birthday cake to be shared at the Lodge. At the nine o'clock prayer break, everyone who has a Birthday in the month will be acknowledged. Please choose a month that is special to you and join in the celebration fun.

Cake evening is the 2nd Friday night of each month. Thanks for signing up and helping out.

Hi Everyone, Well it is getting cold and wet and is a great time to warm up at the lodge and enjoy a meal. You would be supporting the Lodge also. Don't forget Thanksgiving if you signed up for it! I am sure everyone has seen the construction going on at the Lodge. The WOTM have a new functional storage shed. They have volunteered to be the lodge decorators for holidays and this will allow them to keep the decorations in good shape. They also can find them now. A great job by Phil, Bobbie, Howard, Bob, Ed and Myrna. You may have noticed the ladies room is being remodeled and upgraded. Cheryl Padilla has taken this as her personal project. She is donating her time and money for this project, Nora is her helper and with the help of several volunteers the restroom is nearing completion. This is not a WOTM project. Bobbie Garcia has volunteered to do the majority of the work. The last time I saw him he was mumbling to himself and asking for a stiff drink. What is that old saying about changing minds is a "women's prerogative." It's true there have been revised plans and many creative ideas flowing, but still Cheryl is the master planner and financier of the upgrades. If you want to help defer some of her expenses with a donation, I'm sure it would be appreciated. Cheryl is a fine example of a member getting involved and doing something to improve the Lodge. Let's all show our support and thanks. Improvement to the ladies room will be enjoyed by many of us, and our guests for years to come. The pantry project is almost done and working great. If you volunteer to cook or help in the kitchen it makes things run much smoother. To all the people who are on cooking teams, THANK YOU!!! You keep us in business. Thank all of you for your support,

Dan

LEGION NEWS

Dorothy and I came back early from Oregon at the end of October to be with our Escondido MOOSE Family. We had a wonderful safe trip visiting family and friends but we are glad to be back. Weather?? Well, Guaranteed, the greatest weather is at the "Escondido Moose Lodge" and to be with our Moose Family and Friends.

At the Legion Meeting held on November 8th, we had several of our Legionnaires in attendance. Thank you for coming. I appreciate your enthusiasm, support, and your ideas to make our Lodge a family center for all to enjoy.

The Legion Meeting is held on the 2nd Tuesday of the month. Before, the meeting come and enjoy, the \$5.00 dinner. What other place can you get a \$5.00 meal, attend the 7:00PM meeting and socialize with our other "Brothers". Again, I thank you for your support and ideas. Mark your calendar now to attend the next meeting on December 13th.

Last month, in the "LEGION NEWS", I had a ghost writer. So far, no one has named the ghost writer.

Are you reading your "MOOSE" Legion Letter?

Again, this month, as a Moose Member, if you are the FIRST person to join the Legion and guess the 'ghost writer', your Legion Membership will be paid for one year upon enrollment. You must have a current Moose membership, complete the application for the Legion and give to a current Legion member for submission and approval. So, who is the 'ghost writer' and have you submitted your application to become a "Legion Member"? Why not join today?!

TO ALL: HAVE A VERY MERRY CHRISTMAS AND A HAPPY NEW YEAR!

UNTIL WE MEET AGAIN

Richard Allen, Chairman
