

## **Golf terms and information.**

### **Golf !**

Golf can best be defined as  
An endless series of tragedies,  
Obscured by the occasional miracle,  
Followed by a good bottle of beer.

### **Golf !**

You hit down to make the ball go up.  
You swing left and the ball goes right.  
The lowest score wins.  
And on top of that,  
The winner buys the drinks!

**Golf** is harder than baseball. In golf,  
You have to play your foul balls.

The term '**Mulligan**' is really a  
Contraction of the phrase  
'**maul-it-again.**'

A '**gimme**' can best be defined as  
An agreement between two golfers ...  
Neither of whom can putt very well.

An interesting thing about golf is that  
No matter how badly you play, it's  
Always possible to get worse.

**Golf's** a hard game to figure. One day  
You'll go out and slice it and shank it,  
Hit into all the traps and miss every  
Green. The next day you go out and  
for no reason at all you really stink.

**Golf** is like marriage:

If you take yourself too seriously  
It won't work, and both  
Are pretty damned expensive!

The **best wood** in most amateurs' bags  
Is the **pencil**.

If your best shots are  
Practice swings and 'gimme putts',  
You might want to reconsider this  
game.

**Golf** is the only sport where  
The most feared opponent is **you**.

**Now you know why everyone loves the game!**
