

Mark Klein
Moose Legion Councilman

Gentlemen;

I'm sending out this notice to satisfy some of the e-mails and phone calls that I've been receiving since Friday when you received information from Association Secretary George Montgomery about a Moose Legion meal scheduled during the September convention in Palm Springs. Please pass the word.

A decision was made by our Association Executive Committee to discontinue the Association Officers & Committeemen's Luncheon at convention. During a break in their week-end sessions, I was called and informed of this decision and offered that meal and timeframe for the Moose Legion. I immediately and gladly accepted this opportunity for us all as Moose Legionnaires to have a meal and program not only at the Mid-Year Conference but at the annual Convention as well.

We are set to have this lunch and short program starting at noon on Friday the 10th of September in the convention hotel. I am hopeful that we all appreciate the much deserved recognition that the Executive Committee is affording us by recognizing the importance of our Moose Legionnaires in support of our California / Nevada Moose Association and our Fraternity as a whole.

I will now address two specific questions asked of me recently (by various people in different manners) regarding attendance at the upcoming Moose Legion luncheon. #1 – No. Ladies are not invited to attend. #2 – No. If a fraternal member has not as yet been conferred with the Moose Legion Degree or is not an otherwise active (good standing) Moose Legionnaire, he'll not be allowed admittance. Please know that the Moose Legion Luncheon is for our Moose Legionnaires only especially since there will be some Moose Legion business discussed during this time.

We will also have our regularly scheduled afternoon session for Moose Legion Presidents, Secretaries, and interested Moose Legionnaires. Again, Moose Legionnaires only. We have some hot subjects to discuss at this meeting to include the item of fundraising as I had recently proposed. This informal meeting will be in the printed booklet of convention events and also announced during the sessions of the convention.

I am hopeful of seeing all of you in Palm Springs. I am equally hopeful of seeing you at our 1st ever Moose Legion Luncheon & Program as well as the regular Moose Legion Presidents and Secretaries meeting. I promise to try and make it worth your while for attending. Again, please pass the word along about these to programs to all of our Moose Legionnaires.

Thanks for all that you do,

Mark
