## *Administrator's Notes*

Thanks to all those who helped at our functions and work parties last month. We had great meals thanks to the hard work of our members. Thanks to the "Save Your Bacon Crew" who stepped up to put on the great dinner on January 27. We have lots of delicious menus this month as well. Come down and enjoy a good meal and the fellowship of other members. If there is a member new to you, go over and make their acquaintance.

This month is the time for appointing a nominating committee to select officers for the coming year starting May 1. The committee consists of the eight elected officers, five Past Governors in order of juniority and 5 members appointed by the Governor, each of whom must be a committee chairman. If you have the time to help as an officer or on one of our committees, please contact any member of this committee. We have many talented members who have the time and whose expertise we could use. Please see the Director General's message in the February-March issue of Moose Magazine.

Thanks to our sponsors who signed up new members last month. The orientation for new members will be on Friday February 3 following dinner.

We still need volunteers in all areas of the Lodge. We are all busy but the more people we have available, the less any one person has to work. Most of us could put in a few hours once a month or every other month. Those not able to do physical work can help organize an event. There is a signup sheet in the hallway by the office.

We could also use a few more attendees at our activities. If you have an opinion of any of our meals or any other activity or suggestion to improve our Lodge operation, please use the comment cards available in the dining room and place them in the locked box there. The officers do review these cards and do their best to make any improvements suggested.

PG&E has recently replaced our old mercury vapor outdoor lights with new sodium vapor lights at no cost to us. They are much brighter and will save a significant amount of electricity.

The State Association Mid-Winter Conference will be at the Atlantis Hotel Casino March 22-25.

One of our ovens had to be repaired and any donations to help defray the cost would be greatly appreciated.

Rich Sloane  
Administrator

I will not be the Legion chairman for the 2012 term. Someone else will have to step up. I will coordinate the First Annual Tom Stealey Memorial Day Picnic on May 28, 2012. We will need to interview the 13 remaining World War Two Veterans in our lodge prior to Memorial Day. I could use help doing that. I will also need volunteers to create the menu of BBQ's tri-tip, potato salad, beans, bread and some fresh fruit dessert. Any suggestions for honoring our veterans would be appreciated. I'm open to suggestions as to the content of the program. There will be a breakfast served before our February 1 meeting for \$5.00 at 8:30AM. The next Mt. Lassen Legion #172 Celebration will be at the Gridley Lodge on Sunday, March 11. Exec meeting at 10AM, Celebration at 12noon.

## *Senior Regent's Message*

Greetings

I am so grateful for all our wonderful help we have at our Moose home. The question has been brought up to the low response from our membership to volunteer at the lodge. For one, the age of our members are over the 60 age bracket and older. Many of our members can no longer do what they did in their fifty's. Now there are a great many that live out of the area 50 miles plus. The younger member 40ish or younger has if they are lucky a full time job and a family that they care for. What is the answer then? We need more activities that will attract the younger families. Make it more worthwhile to join the Moose organization. On a lighter note I want to thank all our members that do and are able to volunteer. Without them we would not exist. It is nomination time and the Women of the Moose will be holding nomination meetings before the 1st and 2nd meetings, in February /March until we have our officers positions filled. The starting time will be 6:15pm just before the scheduled meetings. If you are interested in putting your name in for a position please give it to one of our officers or slip the written request under the women's office door. Thank you all for your help. The position of secretary/treasurer will be open as Ona has her hands full taking over Kathy's as well as her own meals. Thank you Kathy Chester for all you have done. We are happy that Chuck is home and progressing well. Look for your future activities in your bulletins. Hope to see at the Lodge.

In Faith Hope and Charity,  
Vernona Bisset

The fundraiser dinner on January 21 to help PASH, the Paradise Animal Shelter Helpers was very successful thanks to Debbie Kennedy and her crew who did a wonderful job serving about 170 people.

On February 17, the Women of the Moose are having their Annual Dinner to help raise funds for the Volunteer Fire Fighter Fund.

We have many members working to help better our community. If you have a project you would like to see happen, please come to our meeting and let us know.

## SICKNESS & DISTRESS

## Charity Begins at Home—But It Should Not End There

By JANET FREGULIA/ Executive Director, Moose Charities

Conrad Hilton said, “The practice of charity will bind us...will bind all men in one great brotherhood”.

For those of us in the Moose fraternity, it is indeed the tie that binds us together, in service to one another and to the two great communities established so many years ago. The wisdom and foresight of James J. Davis and Rodney Brandon, the founders of Mooseheart and Moosehaven respectively, gave our fraternity a purpose - one that makes it much more than simply a social club. These two communities validate our existence.

What is really important to a child in need of help - or a senior in need of a safe shelter? A roof over his/her head? Good food to eat? Knowing that someone cares? All of these?

Since their founding, Mooseheart and Moosehaven have provided these essential items that most of us are able to take for granted. This has been accomplished because of the caring and generosity of members like you. And their continued operations rely on your continued generosity. As Mother Theresa said “To keep a lamp burning, we have to keep putting oil in it”.

It is said that “charity begins at home”. Sir Francis Bacon said, “Charity begins at home but should not end there”. Please- take care of your family- and then, help take care of your “extended family” the children of Mooseheart and our senior members at Moosehaven.

Moose Charities offers many avenues and ways in which you can help. Please learn more by visiting our website at [www.moosecharities.org](http://www.moosecharities.org).

\*\*\*\*\*

On a personal note, after having visited only Mooseheart many times, I can confidently say that if you were to visit either community and see what we support, you would never let your dues expire. Rich Sloane
