THAT DOES NOT HAVE EMAIL CAPABILITY.

Mr. Airey is happy to advise of the following changes to personnel here at Moose International and Moose Charities. The changes took place yesterday, July 7 and are effective August 1, 2008.

Janet Fregulia has been promoted to Executive Director/Vice President of Moose Charities; Barbara McPherson has been promoted to Grand Chancellor of the Women of the Moose; and Judy Sisson has been promoted to Director of Operations for the Women of the Moose.

Jan has previously worked in Moose Charities and she has the love of the fraternity behind her. We have received tremendous support and accolades for this move and we wish her all the best as she begins this new responsibility.

Likewise, Barb has been with the Women of the Moose for some time now and has worked side-by-side with Jan and the staff of that office. She is qualified and eager to begin her new duties.

And, while Judy is new to Moose International, her extensive background and involvement with the Women of the Moose through her chapter and the State of California gives her the knowledgeable and wherewithal to do an excellent job.

Please join with Mr. Airey in wishing these three ladies the very best and he asks that you each lend them your support in assisting in whatever way you can to make these transitions easier for all.
