NASHVILLE UPDATE:

The message below is being posted on our website and e-mailed to all Lodges, Chapters and Moose Legions. Please refer any inquiries you receive to the www.moose2010nashville.org website and monitor the site yourselves for updates as they become available.

To Men and Women of the Moose:

Obviously we are fully aware of the fact that Gaylord Opryland Resort, which had been scheduled to be the Headquarters Hotel for the July 1-7, 2010 International Moose Convention, and site of all Convention/Conference meetings and most evening events, sustained unprecedented flooding damage over the weekend of May 1-2, due to historic flooding in central Nashville.

We are aware that some of our members who were booked into the Opryland hotel have already received emails from Gaylord indicating that their reservations were being canceled and any monies refunded.

We are working with representatives in Nashville to reconstruct the schedule of our 2010 International Convention. Our intention is to maintain the entire schedule of meetings and entertainment, in Nashville, to the maximum extent possible.

As we learn more over the coming hours and days, we will keep you posted in this space on www.moose2010nashville.org within an hour or two after we finalize any new arrangements.

At this point, we're hoping -- and working -- for the best!

Fraternally,

William B. Airey
Director General
May 4, 2010

THE ACTIVE MEMBER LISTING

Attached, you will find a report of the "Beginning Good Active Member for April 30th 2009 (Yellow Column) " and the "Finishing Active Members for April 30th 2010 (Blue Column)," for all of our lodges.

Those in the far right column highlighted in green are those with an increase in Active Members and eligible for the Premier Lodge Award, based on the fulfillment of the rest of the requirements.

During the coming year, I will be sending this report at the end of each month to keep each lodge aware of the increase or decrease of Active Members for their lodge.

This is the "All Important Yardstick" to evaluate the stability and progress of each lodge. All Lodge Board Members, District Presidents and Lodge Members should keep this information at hand.
