2010-2011 MEMBERSHIP GOAL FOR EVERY LODGE

The emphasis for this year's Membership Campaign will be on the **"Increase of Active Members"** for every Lodge. Your lodge will receive an updated listing, near the first of every month, on their standing in their quest to **"Increase Good Standing Members."** Your members should be kept abreast of this important category, so that they may assist each of our lodges to achieve their **Increase**. Increase by how many, you ask? Set your sites on **ONE**. If every lodge could achieve an increase of **ONE** good standing member for the year, the results would be more successful lodges than this association has seen in many, many years. It would also be the first step in every lodge being eligible for the **Premier Lodge Award**.

Attached, you will find the list of Membership Increase / Decrease for May.
