

Start talking up playing Golf at the  
Annual CNMA Convention  
In Palm Springs  
September 8, 2010

Lets get a **challenge** between  
Lodges, Chapters and Legions  
to see who gets the largest turnout!

Time to get back to the days when we always  
had 80+ golfers for a tournament.

Days when we had **fun!**

A time when members were easy to obtain  
because they wanted to join in on the **FUN!**

**We will be playing the  
Legends Course**

Details will be posted on the web when received

**LETS DO IT!**
