

# Wounded Warriors Appreciation BBQ Dinner

*First of all I would like to thank everyone for coming out in support of our Wounded Warriors. The turn out was awesome. It was wonderful that we could do something very special for the Veterans that protected our country. Many people were involved in making this event so spectacular and I/We want to thank each and every one of them for their super performance. You all know who you are. And another special thanks to the people who gave money for food and expenses. Also US Foods for donating the Meat. Hope you all enjoyed.*

*I had several comments from some of the Warriors on what a good time they had and how at home the Moose Lodge made them feel. It was also good to see their families and children enjoying their selves. I/We want to thank the people who went upstairs to eat so the Warriors could be downstairs. That was a very special thing to do. My hats off to you.*

*There were many more events on the mountain at the American Legion, Elks Lodge and Convention Center serving meals for our Vets. Many, many thanks to all of them. And to all the jeep people, you made the day great for the Warriors taking them all off road. Anyone in this e-mail who is in Bear Valley 4X4 please pass a special thank to all of them in your club..*

*Finally, I/We would like to thank Jeff Forrest, Sandy Lehemkuhler, Jim Weinheimer and all the other people who made this event possible for our Veterans. They sure deserve everything we can do for them. And thanks to Duke for the great entertainment.*

*Once again it was a spectacular weekend on the Mountain for our Veterans. A very special thanks from my wife and I and all the members of the Moose Lodge. I hope I didn't miss anyone if I did thank you to you also.*
