

CAL/NEV MOOSE YOUTH AWARENESS

Greetings all

This is your annual invitation to be part of the team that helps our Communities, Fraternal Organizations, Families and our Youth of Tomorrow.

The attached fliers reflect dates for our upcoming Youth Awareness Congresses and their locations. Some of the dates are tentative, so please call the local lodge in your area.

Please remember we are looking for 14-18 year old students to participate in the program.

It is a WIN- WIN situation for all.

Student Requirements:

Willingness to participate in an instructional Congress on our program, have fun, help the Youth in our communities, interest in making a difference in the community, ability to talk to 4-9 year olds about making the right choice in life, and write three reports summarizing your talks with 4-9 year old students..

The last requirement would be the ability to go to **Indianapolis, Indiana, in April 2010**, if selected as one of the California North winners. It should also be noted that all expenses (some exceptions*) are paid by the Loyal Order of Moose.

Did I forget to say the program qualifies for one of the **State Community Service Requirements**, and the students will earn a \$100 bond for participation? **In addition they can win a \$2000, \$3,000, \$5,000, \$8,000, or \$12,000 dollar scholarship and an all expense paid trip* to Indianapolis, Indiana, if they are one of the State winners?** Greatest Community service around because there is no cost to the schools or organizations.
