Then, ... follow the 'Letter Rates'

\* There are variables— spouse, children, parents & etc.

\*\* Payments are effective from the "Date of Application" & are retroactive, no matter how long it takes.

\*\*\* Compensation ratings continue to increase beyond percentages, into Letter Ratings and monthly compensation & additional benefits also increase considerably.

\*\*\*\* **SMC** (Special Monthly Compensation) & **DIC** (Dependency Indemnity Compensation) have their own payment rates.
