GREEN LIGHT**

Dear California Nevada Moose Association,

Thank you for your donation of **\$1,000.00** made on **7/20/2024**. Please know that your gift of Grace will have a meaningful impact on the lives of thousands of New Orleans' most vulnerable unsheltered individuals and families living in perilous conditions on the streets.

Everyone deserves a warm meal, a safe place to sleep, and a way to go home again. Sadly, those who need the most help in our community are too often excluded from the resources and opportunities they so desperately need. **Grace at the Green Light** relies on the generosity of donors like you to keep our doors open, 365 days per year, for those with nowhere else to turn.

As our unsheltered population swells (the city reported a **33%** increase in the past 2 years), the need for Grace's services is greater than ever. Since moving our daily operations to the St. Jude Center last December, we've seen a **40%** increase in the number of unhoused individuals seeking our care (from 160 to 220 people every day). Every one of them is deserving of Grace.

Over the last 10 years, we have served **345,000** meals, distributed **1.3** million bottles of water and **40,000** items of clothing, and reunited **3,250** individuals with family, helping to improve their health outcomes while guiding them on a pathway to independence and self-sufficiency.

Thank you again for supporting New Orleans' unhoused population – and for believing in the promise of their futures. With kindest personal regards, I am,

Sincerely,

W. Christopher Beary
Founder & Board Chair
