

Oct 24, 2024

Well, another Chapter Rally Day has come and gone. I want to thank everyone for stepping up and helping when needed. This was a difficult one and changes had to be made at the last minute due to the passing of a special friend and sister to all of us, Debi Price. She was always there and working in the background to help things run smoothly. She will be missed. A special thank you to her sister Dee, who zoomed in briefly with us so we can share our grief and support for her as well.

I want to also thank Lodi Lodge and Chapter for opening their home to over 160 members. They made sure we had enough good food and entertainment all weekend to share our friendships and to make new friends all weekend.

This year we not only celebrated the 3 Top Honor Chapters (1st Ebbetts Pass, 2nd Pismo Beach and 3rd Buena Park), 3 Top Sponsors (1st Doreen Prado-Roseville, 2nd Shannon Kline-Roseville and 3rd Lynell Martin-Pismo Beach) but we also recognized our Chapter Secretaries. They are the ones who we depend on to really listen to everything being discussed and make sure they keep accurate minutes, so we stay on track, and everyone is on the same page for things happening on the Chapter side of the lodge.

We also recognized the 3 Top Chapters for their Community Service hours, donations and mileage (1st Simi Valley 1959, 2nd Rancho Cordova 1941 and 3rd Stockdale 1203).

Thanks to each of you in attendance and your chapters, because of you we raised:

\$383.67 for Endowment

\$364.50 for Mooseheart

\$364.50 for Moosehaven

\$1440.00 for the Moosehaven Beauty Shop

Again, thank you from the bottom of my heart for all you continue to do for our children at Mooseheart and seniors at Moosehaven as well as our communities.

I have already started planning next year's rally and will release more info the first of the year!
