

**You have the heart,  
You have the dedication,  
Now get the education!**

Strong leadership starts with strong education.

Education supports smoother operations, better compliance, and stronger Lodges.

Without structured education, Lodges risk confusion, poor decisions, and decline.

# WHY EDUCATION MATTERS

- Lodge Leadership Course (LLC) – simplified, hands-on, and direct
- Moose University – centralized home for Lodge education
- Administrator & QuickBooks Education – focused on operational execution
- Instructor & Student Handbooks – consistent, compliant, and easy to follow
- Materials backed by General Laws and Officer Handbook

## WHAT WE ARE NEARLY FINISHED BUILDING

- 
- Debuted the Lodge Leadership course
  - Went very well with many attendees excited by the new direction
  - FMA did an amazing job creating an environment for everyone to get the classes they needed
  - Over 100 attendees from as far as California

# FLORIDA MOOSE ASSOCIATION JAMBOREE

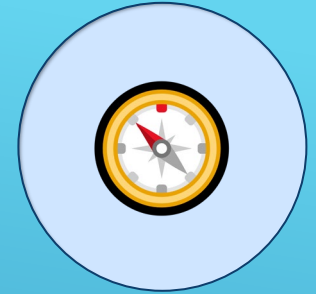

- ▶ Lodge roles are supported through a unified educational structure
- ▶ Standardized content across the Fraternity for consistent results
- ▶ Resources available through both in-person and digital formats
- ▶ Associations may sponsor member education efforts

## CENTRALIZED EDUCATION APPROACH

- Moose University PowerPoint slides with Instructor guidance
- Instructor Handbooks with talking points and references
- Student Handbooks featuring:
  - Clear overviews and examples
  - Official references from General Laws and Officer Handbook
  - Key takeaways from every slide
- Clean visuals and structure make learning easier

## TOOLS THAT SUPPORT OUR MISSION

Board Education –  
every officer should  
understand their  
role

Financial Oversight  
– helping boards  
read and interpret  
real reports

Compliance  
Integration –  
reinforcing Moose  
policy through  
every topic

Remedial Support –  
education offered  
when Lodges are  
off track

Officer Onboarding  
– education  
available  
immediately after  
elections

## CURRENT AREAS OF FOCUS

Participation tracked through Moose International

Completion may tie to Lodge standing or eligibility

Evaluations help verify comprehension

Instructors provide support and follow-up when needed

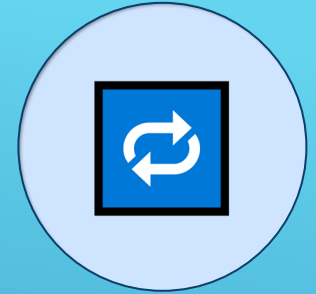

# ACCOUNTABILITY THROUGH EDUCATION

- Expanded Digital Access – video content, mobile formats, online modules
- Accessibility Enhancements – ADA compliance and bilingual content
- Instructor Development – standards for Moose educators

## WHAT'S NEXT

- Educational content is reviewed and improved regularly
- Field staff, members, and Instructors shape future content
- We listen, adjust, and evolve based on what Lodges need

**FEEDBACK DRIVES  
IMPROVEMENT**

- Confident, capable leadership at every Lodge
- Clear expectations and a path for success
- Education that is accessible, consistent, and impactful
- Moose University as the foundation of a stronger Moose future

## OUR VISION FOR EDUCATION

- Presidents: Encourage full board education
- Associations: Invest in and promote education
- Members: Share insights, help others learn
- Instructors: Join us and lead from the front

## HOW YOU CAN HELP
